

**Chinese New Year Celebration**  
***Circle of Friends***  
**Sponsorship & Benefactor Opportunities**

As you can imagine, the costs associated with producing our Chinese New Year event grow each year. Our committee, a group of China adoptive parents, strives to create a special cultural celebration for young families and the children we love.

This year our Committee is again seeking adoptive families and local businesses to participate in the Chinese New Year event's ***Circle of Friends***.

The ***Circle of Friends*** is a group of committed groups and individuals who value the celebration of Chinese New Year and wish to see children enjoy this special day. Your kind donations will help defray expenses related to our event, such as entertainment, refreshments, prizes, etc. Most of all, you will help our children enjoy a very special day. Would your family or your business consider being part of our event's ***Circle of Friends***?

All families and businesses participating will be **recognized in our event program** and on the Sunny Ridge website. Also at your request, you may remain anonymous.

Thank you for your support and consideration!
